Milk Block Program

Due to no shipment of milk this week there will be no milk.

Please note that this block will be extended to February 4 to cover for those who have already purchased milk.

The milk program will be discontinued after this time.

We will re-evaluate the program in the September to decide as to whether to start the program or not.

No Secrets—K—3

Permission forms will be sent home today—January 14

Please return forms before Jan. 23
