April Events

April was a busy month. We had our cross graded Easter activity afternoon which was enjoyed by all. We hope you had a chance to view our post showcasing the afternoon.

Mrs. Borzel spent the month preparing our students for the Spring Concert. Other teachers were wrapping up art projects and science projects for students to share with their parents at our Open House.

We had a chance to meet our new incoming kindergarten students for the 2025-26 school year. Each student was presented with a 'Welcome to School' bag with fun educational resources.

Thank you for supporting our Book Fair that was available over two days. This will allow new purchases for our library.

School Assembly

This month our theme around 'Respect' was 'Listen to others and be open to their opinions and ideas'. This will help to build communication skills, encourage collaboration, promote empathy and a growth mindset.

Hockey Tournament

We took two teams to Winfield. Team 1 won 3 games and tied their 4th game. They had one substitute player which means they had to play hard all day. Team 2 consisted of mostly grade 4 students and they did very well attending their first tournament. We are PROUD of your efforts! Great Work!

Teachers Pet

On April 28th our students took part in Soapstone carving. Our instructor, Ryan, was awesome! Fun was had by all!
