Equine Empowerment Sessions

There will be one 8 week session for 9 students and three one class sessions for all other Grade 4-6 students.

Permission Forms are now available on the PowerSchool Parent Portal under School Fees and Forms

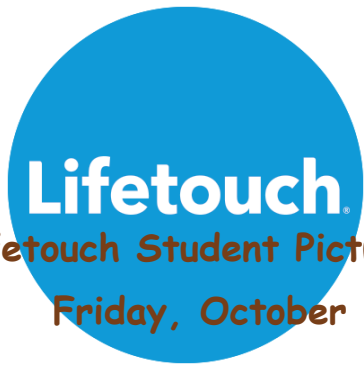

There is no fee for this event.

What is Equine Empowerment:

Equine Empowerment is a program that partners children and horses to develop social skills and emotional regulation.

Learners will practice specific objectives like, trust, confidence, communication and team building in experiential learning.

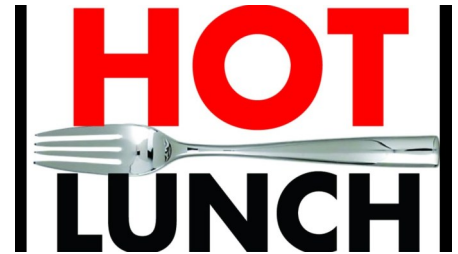

If you have any questions or concerns about this program feel free to contact the school office.
